

2014 COACH LEDER FOR EN DAG

Hvidovre, November 22th 2014

To whom it may concern

John M. Smith has, during his 23 hour personal investment into the LEDER FOR EN DAG project over 2 years, demonstrated:

- Ability to lead and coach under pressure
- Capacity to engage on top of a fulltime high School program at Navn På Gymnasium.
- Determination to complete a voluntary contribution in benefit of his local community.

John's role was to coach a team of six elementary school children over eight games during Hvidovre Volleyball Club's KidsVolley School Tournaments in October 2013. John motivated his team members to develop individual skills as well as team goals. In his preparation for this challenge, John completed an introduction to leadership, including:

- Coaching Seminar led by Executive Coach Michael Frost
- Effective Communications Workshop on people profile types led by Karen Würtz, Würtz-Consult
- Leadership Conference featuring speakers Heidi Manley Jensen, Director at Danske Bank, Jacob Døring, Audit Manager at Deloitte and Chairman of JCI Copenhagen, and Jon Kjar Nielsen, Chief Happiness Officer and founder of Jon.dk
- Sports Coaching Workshop led by Martin B. Brolin, TEAMbrolin.dk.

LEDER FOR EN DAG is organized by TEAMbrolin for participating high schools and institutions such as Hvidovre Volleyball Club. The published purpose of the initiative is to introduce the leadership role and voluntary work to students during complex large scale events.
